Dear Ebaso Temesgen:

Congratulations! You have received a Thank a Teacher note from one of your students. Through the Thank a Teacher program, students convey how people like you have made a difference in their academic experience. Below is the note that your student submitted at [thankateacher.umn.edu](http://thankateacher.umn.edu), highlighting the positive impact you have had.

"Thank you for always being willing to help and support me! I was very lucky to have you as a TA. You're good at explaining things, you're thoughtful, and you're willing to work through an issue with me. I always learn something when I go to you. I appreciate you!"
